## Overview

Erin R. Korotzer is an attorney based in the Los Angeles office of RMO LLP. Guided by the firm's core values, she brings an empathetic and results-oriented approach to representing heirs, beneficiaries, trustees, executors, and other interested parties in contests, disputes, and litigation related to trusts, estates, and conservatorships

Prior to joining RMO, Erin practiced family law, where she built a strong foundation in litigation while advocating for clients in complex and often sensitive matters. Drawing on that experience, she understands the deeply personal nature of intra-family conflicts and works closely with clients to navigate disputes with clarity and compassion, and a focus on achieving meaningful resolution.
